ARE YOU READY TO BE A PART OF RED HAT?

Red Hat's Brisbane office is our regional headquarters for Research, Development and Support.

We currently employ 120 people in Brisbane out of 3700 employees globally, and we are still growing.

Almost all of our employees work as part of a global team.

WE ARE THE WORLD’S LEADING OPEN SOURCE COMPANY.

Working at Red Hat means working beyond the borders of the obvious and the ordinary. We are a global company, we’re growing fast, and we’re bringing open source into the mainstream. We want you to come and share your ideas at one of the world’s leading technology companies.

We are an open source company leading a technological movement. The way we develop technology is based on traditional ideas about sharing knowledge, and the way our business works is unique. Our continued success depends on finding people who thrive in our meritocracy. Be prepared to work hard in a fast-changing environment, without compromising culture or value, and enjoy the responsibility of leading an industry.

WE CURRENTLY HAVE POSITITIONS OPEN FOR THE FOLLOWING ROLES

- Software Engineering
- Technical Support Engineering
- Content Authoring
- Technical Translation
- Work Experience Programs
